QUICKKART PAYMENTS AND WALLET

Version 4.0 | Effective 1 September 2026

(Fictional policy written for a RAG learning project. QuickKart is not a real company.)

SECTION 1: ACCEPTED PAYMENT METHODS

1.1 QuickKart accepts UPI, credit and debit cards (Visa, Mastercard and RuPay), net banking, QuickKart Wallet, and cash on delivery.

1.2 American Express cards, cheques and cryptocurrency are not accepted.

1.3 One order can be paid with QuickKart Wallet balance plus one other payment method.

SECTION 2: CASH ON DELIVERY (COD)

2.1 COD is available for orders with a total value up to Rs. 2,000.

2.2 A COD handling fee of Rs. 10 is added to every COD order.

2.3 Delivery partners carry limited change, so please keep exact cash ready.

2.4 COD is switched off for an account after 3 undelivered COD orders caused by the customer being unreachable.

SECTION 3: QUICKKART WALLET

3.1 Wallet credit expiry: compensation credits (such as late-delivery credits and apology credits) expire 90 days after they are added. Money you add yourself and credit from refunds never expires.

3.2 Wallet balance can pay for up to 100% of an order.

3.3 Wallet balance cannot be withdrawn to a bank account and cannot be transferred to another customer.

3.4 The maximum wallet balance is Rs. 10,000.

SECTION 4: FAILED PAYMENTS

4.1 If money is deducted but the order is not confirmed, it is reversed automatically. UPI and wallet payments are reversed within 24 hours. Card and net banking payments are reversed within 5 to 7 working days.

4.2 You do not need to contact support about a failed payment unless the reversal is later than these timelines.

SECTION 5: PROMO CODES

5.1 Only one promo code can be used per order. Promo codes cannot be combined.

5.2 If you cancel an order within the 2-minute free cancellation window, the promo code is restored. If you cancel after that window, the promo code is not restored.

SECTION 6: INVOICES

6.1 An invoice is emailed to you after delivery.
